Contractor/Building Permit User

The City of Selma at their March 19, 2007, City Council Meeting and their April 2, 2007, City Council Meeting passed Ordinance No. 2007-3 dealing with modifications to the City's "Garbage Regulations." Section 8-1-15 and 16 of the City Code requires any developer or business owner who need the use of Roll Off Bins for collection of construction debris or other uses and Portable Restrooms within the City of Selma to acquire those items for the City's exclusive Hauler, Selma Disposal and Recycling. The new ordinance became effective on April 30, 2007

If you are not currently using Waste Management for recycling services you may contact the City's contracted waste hauler Waste Management for recycling to arrange for these services to be provided. You may contact <u>Waste Management at (559) 891-7694.</u>

If you have any questions please call the City of Selma at (559) 891-2200.
