

# First Aid & C.P.R. For Non-Medical Personnel

## The American Heart Association's Heartsaver Course

This Course is for the Individual with limited or no medical training that would like to learn first Aid and C.P.R. Examples of Job titles that would require this particular training would be, but are not limited to, babysitters, lifeguards, teaching assistants, teachers, coaches, farmers, security guards, and contractors.

This 5 hour video/hands-on based course reflects the new American Heart Association's guidelines for Cardiopulmonary Resuscitation and Emergency Cardiovascular Care. It teaches first aid basics, medical and environmental emergencies. Participants will receive a Heartsaver First Aid CPR AED Provider course completion card from the AHA that is valid for two years.

The \$60 fee Includes workbook and Course completion card. To sign up call the Selma fire Department @ 559-891-2211
