

CITY OF SELMA CITY MANAGER EMPLOYMENT OPPORTUNITY

The City of Selma is a city of 25,000 residents located in Fresno County, California, approximately 15 miles south of the City of Fresno. The City Manager is appointed by City Council and serves as the operational head of city government directing all functions of the City and activities of all City departments. The City Manager must be a proactive manager and become actively involved in the community.

Experience as a City Manager, Assistant or Deputy City Manager or as an Executive Director or department head of a complex public sector organization is required with strong financial and budget background, expertise in Economic Development, and strong interpersonal skills. A BA/BS in a related field is required and Master's degree is desirable. The salary is negotiable up to \$170,000, depending on qualifications; with additional \$8,000 compensation in deferred compensation, car allowance and cell phone stipend along with excellent benefit package.

Candidates are encouraged to submit a letter of interest and resume to the City of Selma, Personnel Department, 1710 Tucker Street, Selma, California 93662. This position will remain open until a sufficient number of qualified applicants are received.
